“ *I am thinking of Cathy's spoon. It was tucked away in the bag that had the children's extra clothes, wet-wipes, snacks, toys etc, etc. It had only needed to be shown when one of the kids went beyond just being a kid and reminded them who loved them. She loved all of them, with her time, her patience, her fun and her wisdom. You can tell by the pictures that they loved her right back and then some.*
