“ I was so sorry to hear about your Dad's passing. He and your Mom were very special to our family in years past. He and my brother Todd were good friends in high school and then he and your Mom became good friends with my Mom, Jewel Walton, in later years. That was the point that I got to know them as well. Often when I was home they would come over for a visit. They were both so interesting to talk too and were both very talented. I have a wooden coat of arms that he did for my Mom years ago and it is gorgeous! I hope you will remember all the good memories of both your Dad and Mom's lives.
