“ I have never met a person who was so detailed & organized as Jeff. We were co-owners in a beach house with the Surratt's & when there was a problem @ the house, Jeff was called. He was able to assist, even though he wasn't @ the beach. But, being organized was not his only attribute. He had a great sense of humor & he & Sandi loved shagging. I know Heaven can find a special place for a talented gentleman like Jeff. On earth, Gary & I are going to miss you. We loved you!

I am so saddened to hear about Jeff; I will never forget him, having known him since WRHS (class of 73); he was everyone's favorite guy and was a joy to be around; please know our thoughts and prayers are with you during this difficult time. I am planning to be out of town and will not be able to attend the services but please know that I am thinking about you.

“ A group of us, who had convertibles, went on a day trip to the mountains that we jokingly called the "Topless" trip. Jeff and Sandy really enjoyed this trip and often Jeff would ask "When are we going to do another Topless Trip?" Sadly we did not do another trip, but I can just see Jeff buzzing around heaven in a snazzy red convertible....angel wings and all. I will remember Jeff as a caring and giving man. We've lost a good man and he will be missed.
