“ Friday we had a ball, spent the whole morning drinking dunking donuts coffee, laughing and having a ball, me you Enga and Jessi 🥳🎉, I dropped you off for a half work day, you went to work , came back to go to dinner with your dad for his birthday and you dropped dead from natural causes. 🥲💔.

Charlie, I'm so proud of you, because you weathered the storms and came through it all, only for it to end like this.

I love you Charlie and I'm going to miss you like crazy. I believed in you because I knew you could do it and you proved me right. You didn't need a program you just made up your mind and you stayed strong. You were a hugh part of our family and we love you so much, life will be different without you around. Megan misses you so much too. GzoF knows Jessi misses you , she can't stop crying.

Look out for us Charlie.

Rest In Peace. FLY HIGH.

“ Charlie definitely had his good and bad times.
He had a good heart but did not always follow
it. He struggled with lots of temptations, but
he fault as hard as he could to stay on the
narrow way to live a better life. He will be
missed by all that knew him. My condolences go out to his family.
Charlie was a good man so sorry to hear of this.
