“ I will always remember Charlie Anna as my loyal, treasured friend from childhood. We built lots of great memories over the years. Even though we had not seen each other much in recent years, each rare visit was as if no time had elapsed. Rest in peace, dear friend.

“ Charlie, I have such fond memories of you visiting Mary and John next door. And Weebie was always a hoot. You were so kind to my children and they all thought so kindly of you.

Your pain is now ended and you are with our Lord and those who loved you. You will be missed.
