“ Aunt Charlotte was a great lady who always made me laugh! We always had the best family gatherings! I remember when I was a small child that she recorded my voice and then she played it back to me as a youth. She was always so much fun to be with! I will always cherish those precious times! Our thoughts and prayers are with you.

“ *When the enemy death strikes your grief can be great. My heart goes out to the family at this time and in the days ahead. One day we will see when, "He [God] will actually swallow up death forever, ...[And] He will certainly wipe the tears from all faces".... Isaiah 25:8.*
