

Chase Jordan Adkins

May 19, 1992 - November 28, 2018

Our beloved Chase Jordan Adkins passed away on Wednesday, November 28th, 2018.

Chase was born on May 19th, 1992 and is survived by his parents, Tammie and Rick Izze of Salisbury, North Carolina, along with Will and Niki Adkins of Chesterfield, Virginia.

Chase graduated from West Rowan High School in 2010 and the Nascar Technical Institute in 2012. Filled with a passion for adrenaline, Chase often sought adventure while working on automobiles and riding his motorcycles. He enjoyed spending time with his family and had a gift that the world lost and can never be replaced.

Chase entered the arms of our Heavenly Father after suffering from addiction and depression, diseases he struggled with for many years. Although he found comfort and peace at times, he was never able to fully overcome a disease medicine could not cure, counselors could not quiet, and our love and affection could not adequately soothe. We find comfort in knowing that he will not only live on in our hearts and memories, but also by helping others as an organ donor.

In addition to his parents, Chase is survived by his brother, Brett Adkins; his

sisters Laura Heineck (Ken), Stacy and Olivia Izze; his niece Julianna Whitley; his nephews Henry and George Heineck; his girlfriend Cassie Humphries; and a host of special aunts, uncles, cousins, and friends.

Please join us on Saturday, December 1st at Life Church in Salisbury, North Carolina to celebrate the life of Chase Jordan Adkins. Visitation will begin at 1:00 followed promptly by a service at 2:00.

In lieu of flowers, please consider making a donation to Narcotics Anonymous. Financial gifts can be sent to 708 Jake Alexander Blvd W. Salisbury, North Carolina 28147.

We take comfort in knowing that Chase is surrounded by light, free from the struggle that haunted him. He lives now, still, inside our love and affection.

Summersett Funeral Home is serving the Adkins family. Online condolences may be made at www.summersettfuneralhome.com.

“ My prayers and sympathies are with Chase’s family. I didn’t know Chase but the words of his family and friends help me to know this fine young man, gone too young and too soon. I pray for their peace. I admire their strength and honesty about Chase’s life and death. Addiction is a disease no one chooses and often is the silent killer for many, way too many. May Chase rest is peace and may we honor his memory and his family by doing more to remove the stigma, to be informed and involved with creating change for safe and heathy lives for all our children. ❤️🙏

“ *I want to thank you for sharing your son's life and struggles with all of us so openly and bravely. We've not ever met, but having lost a child I know that, regardless of the cause, sharing our stories helps heal the loss. Your willingness to share may well help another family like yours survive the hardest loss of all, the loss of a child. Be well and walk in peace.*

“ We are so very sorry about Chase, he was so very kind and sweet. Please know that we are always just a call or text away if and when you need us. I know Gary enjoyed talking to him and always letting him know how proud we all were of him. I would like to share something with you that has helped me the past 13 years, I know that each and every day that I get up and go on with my life, I am 1 day closer to seeing and holding my boys again. I don't know if that will help you in the coming days, but it was something that I read after losing Rodney and it has helped me and I wanted to share that with you.

Continued Prayers and hugs for you and your family.

Love,

Gary and Valerie Belk
