“ My heart is broken to hear this about Cheryl. We met at DCCC, then we were roommates at Catawba. Cheryl was my best friend way before BFF's. Been thinking about all the memories we made at Catawba and after graduating. We shared some much together, I can still hear her laugh. I'm grateful Cheryl was part of my life. I'm sorry you went through all the pain, I wished I would have known. I love you, friend. Rest In Peace. ❤️

“ This broke my heart to hear that she passed. I work with Cheryl for many many years at CCB to SunTrust. After I retired as she was working for F & M she continued to always make me smile every time I saw her there. And she continued to be so helpful. Her smile was contagious and her laughter also made me feel happy. We shared many great talks and silly secrets. She was a very caring person. I wish I had known she had gotten sick, but now she's healed and happy and at peace. I will greatly miss you Cheryl 🙏
