“ So very sad...I've know Chris since 1st grade and throughout High School. Our last Class Reunion, Chris was on my contact list. I was able to chat with him through PM and he had wanted to attend, but things just didn't work out. Chris was the same nice, special, and caring person he always had been. He will be missed by many...Prayers to the Family.... Rest in Peace my Friend....

“ *Chris will be missed by many. I worked with Chris many years while at Ingersoll Rand and Doosan Portable Power. Chris and I worked together for about one year on a project very close and He was a great worker, father, husband, friend and co-worker. Praying for the family, his parents, wife, children to remember the joyful times, the happy moments as they try to grasp and understand his unexpected passing. May the lord bring encouragement to his brothers, sisters, parents, children and wife thru the upcoming days.*

“ *I grew up right down the road from him when i lived in cooleemee, with his daughter being one of my childhood best friends. He was always so fun to be around and was a goofy, dad-like figure to me as i grew. He will be missed greatly by so many.*
