“ To Chris, my husband,

*You stole my heart many years ago with your charming personality and your witty sense of humor. You are and always will be the "keeper of the key" to my heart. You always put your family first, our needs and wants before your own. Everyone one that knew you-knows that "your girls" were your life. Thank you for helping me raise two beautiful strong willed girls to carry on your legacy. You truly were an amazing man!!! I thank God everyday for sharing "your life" with me.*

*My love...My life...Always!!*
