“ To the Oney family we want to express our deepest sympathy for the loss of chris. He was a wonderful friend with a big heart. We have so many memories of him but the last one was Dec. 24th 2018. He knocked on our door early afternoon. We hadn't seen him in years but we welcomed him in our home. He asked if our son Adam was here but he was working. He sat down and we talked for a long time.. I told him if our plans to go tol church for candle light service and then to Allison's house. I asked him to join us and he did. We had a great Christmas eve sharing memories and laughing. What a great memory to have. He will truly be missed. May God give you peace and comfort Rick, vicki, adam, Lindsay and mason morris.

“ Mike, Sue, and Jason my heart goes out to you during this very tough time. As I look back at how long this family has been a part of my family in one way or another it breaks my heart to know that this has happened to you. I sit and think about the last conversation I had with Chris made me realize he was a very loving and caring person who would help a fellow soldier, veteran, family member, friend, or even a stranger in any way possible. A heart of gold with a tender soul to match. I smile every time I look back at the times we talked as adults and I laugh at when we were kids laughing, playing and having a good time at your church. You three and the rest of the Oney family are in my thoughts and prayers. Fly high with the angels in Heaven my dear friend Chris. You have stamped a forever place in my memories

“ *It breaks my heart to hear of Chris' untimely death. I send my deepest condolences to the family. I knew Chris for a short time, and I especially remember the time he came to Thanksgiving dinner at my house in 2017. I really enjoyed his company. He had such a sweet, unassuming nature and he had this little grin whenever he had something amusing or funny to say or proud of himself, and he was so proud to have served his country. I will always remember him as he touched a piece of my heart. May his soul rest in peace now.*
