Tribute Wall

“Gina, I am very sorry for the loss of your life partner. It is the hardest thing to go through, the grief and pain - your a strong woman and I am here for you any way I can help. Please know that your memories keep Cindy alive in your heart - always. God Bless and Keep You Safe During This Difficult Time in Your Life.

God Knows

*You have my deepest sympathy,
but it really doesn't help.
Your grief goes beyond
what words can express.*

*There's nothing anyone can say,
and nothing we can do
to heal your broken heart
or take away your pain.*

*Let God take you in His arms
and cover you with His love.
He knows the depth of your grief
and only He can give you peace.
He knows it will take time
for your heart to heal, and
your loved one has a place
that no one else can fill.*

“ I am in total shock....I worked with Cindy at IBM for many years and she went to school with my youngest brother. We just reconnected about 3 weeks ago, and she said nothing about being sick so I am just stunned at her passing. God Bless her family.##imported-begin##Karen##imported-end##
