“ I'm sorry about the loss of your loved one. While we lived at Grant St. Clark had become a very good friend of mine, we were like brothers and sisters. Since then we have talked to each other off and on. I'm going to miss him very much.

“ We at the Lifeline Triumphant Pentecostal Church, and the Lifeline Community Enrichment Center are saddened to hear of the passing of Clark. We had the opportunity to work with him for a couple of years. It ultimately became such a blessing to us to work with him. He never failed to thank us and to show us great appreciation for the small service we performed for him. He made us feel like what we did was not in vain when he consistently smiled and thanked us. During the time that we worked with him, he would often stop and worship with us. Whenever he participated in Bible class, he showed great insight in scripture and helped us understand that he was bred in the christian tradition. We want his family and friends to know that we are praying for you and that we will miss him as well. God bless you always.

“ I am saddened to learn of Clark's passing. It seems he grew into a very nice looking man. I haven't seen Clark for many years and only remember him when he was a little guy with lots and lots of energy. He was only 4 years younger than me, but I remember visiting Clark and his family during the summers in N. Carolina, which always left me with very fond memories that have lasted all of my life. I send my condolences and a prayer to each of his family members. May God hold Clark close to his own heart and keep him safe and may God give you each strength to carry on. Good-bye little cousin.

“ I'm saddened to know of Clark's passing. It seems he turned in to a fine looking man. I haven't seen him in years and only remember him as a little guy. He was 4 years younger than me and, boy, did he have some energy. I remember visiting him and his family when I was a child and always left with fond memories of "the farm". I send my condolences and prayers to each of the family members. May God hold Clark near and dear to his own heart and keep him safe. He will be truly missed. God bless.

“ I only have memories of Clark when he was a young child. He grew up in a most beautiful Christian home where he was taught the love of Jesus. I know this because I was blessed to share their home for a season many years ago. May strength, and blessing reach across the family for their day's ahead. **THE LORD IS NEAR TO THOSE WHOSE HEARTS ARE HUMBLE . HE SAVES THOSE WHOSE SPIRITS ARE CRUSHED. Psalm 34;18**

“ Clark was my uncle, and I remember when i was little, going to spend the night and playing videos games with him. He would come pick me up, and he would be so excited cause we would stay up half the night to play Nintendo!.... One night when I stayed, we had a small ice storm. So Clark was going to bring me home early. When we walked out on the porch, it was covered with ice. I went to step on the step and fell and slid all the way off the porch and right under the car! Clark was laughing so hard that he couldn't hardly help me. :) He said he turned around to say something and I was gone! Lol!.. After that, every time I saw him, he would mention that night and we would laugh about it!! ... I know I didn't see Clark much as I have gotten older, but I do love him! And I will greatly miss him. Rest in peace Uncle Clark!

“ *I'm sorry to hear of Clark's passing. I would have loved to get to know him better. I have just a few little memories of him playing with Tammy and me as children - when he was probably only 6 or 8 years old. I would love to see pictures shared of his life that we missed out on through the years. Rest in Jesus, cousin Clark.*
