“Claudia was the kindest, loving, most empathetic person I have ever met. She always greeted Veterans and Staff with a smile. She spoke to everyone she came across always making herself available to assist. I had the pleasure of working with Claudia for nearly 20 years. She has always and will always...hold a very dear spot in my heart. She worked so hard taking care of everyone despite her illness. She now lays in the arms of Our Lord. Rest my dear Sister for you have done great things...one day we will meet again and embrace as we did each time we saw one another. Love and miss you.

“ Claudia was very special. I worked with her at the VA. After she retired I would run into her at Food Lion or Aldi's and we would talk. She loved to help others and had special love and concern for people. I will miss our talks at the grocery store. Prayers for peace over the family.

“ Claudia fought a good fight - and is now in the presence of our Lord. She enjoyed working with our Access friends and loved her Sunday School class in Jim Stringfield's Emmanuel class. She served and loved the Lord and enjoyed working with our veterans at the Salisbury. We talked often and the love in her heart shined through for her husband, family, church and the Lord. She will be missed.

I will miss her sweet caring for our TOPS group. She knew I love chickens and surprised me the last two years with a real nice chicken calendar and other chicken things. She was so sweet and always showing her love of people.

I will forever remember Claudia's beautiful smile and loving attitude. Often we would run into each other in Aldi, and our visits were filled with laughter. Her love of Germany gave us lots of common ground. She was a shining example of commitment to her TOPS pals and we all will miss her terribly.
