“ *I know that I only had the privilege of knowing Cliff for about 19 months. But he most definitely made a huge impact on my life and especially in my heart. Finding out that he worked with my dad at the VA for years was also special to me. I am so very blessed & honored to have had this special time with him. And got to meet a lot of his family that he was so proud of and loved beyond words. I believe he helped me in many more ways than I helped him. I am deeply sorry for your loss. Sending comforting prayers.*
