“ Rusty was a natural born leader. He was always happy to see you and grab a hug. He has done so much work for the citizens of Spencer/Salisbury.. We were always picking about him getting into my Fiat and going for a test drive. He said he wouldn't fit in that little car. His smile is what I will never forget. Life is too short, love one another now. 💔

The first time I ever laid eyes on Clifton Russell Miller was on 11-22-1962. He was only hours old and I was 12 years old. I was SO proud that I was now an aunt!!

Rusty was a gift to me💙 I was even allowed to carry him home from the hospital!!! Rusty would ever have a special place in my❤️

Watching him grow up playing sports, running and laughing with my soon to be husband a few years later, attending his graduations and weddings , and then watching him playing and laughing with my children are just the beginning of our wonderful memories❤️

Soon Rusty was a Dad, then a Granddad, "Papa Russ"!

His charismatic personality was contagious!! We ALL loved Rusty❤️

Now I know Rusty is with our Bryan and all our other loved ones who have gone ahead of us to Heaven.

As I told his Dad, Bob, I can hear he and Bryan laughing at us right now ☐ Rusty, I have always loved you with my whole heart❤️ and that love will never change!!
