“ So sorry to hear of Gary,s passing. We enjoyed working with him as a milk hauler. The grandkids always went to see who was picking up milk when they heard the truck come down the road. Coyte would soon let us know if it was Gary or Shane. We will always.remember the vists with him while waiting for the milk to load. God be with you all.

“ Our heart felt sympathy to you all. Gary will truly be missed at the Ladd Dairy Farm. The grandkids couldn't wait for weekends and summers when they could be home. Always asking,does the milk truck come today? Gary would lay down on the horn for them. Oh the smiles on Daniel and Cooper faces were priceless! Our thoughts and prayers are with you all. “ *Cindy, Shane, Derek, Faye, Sandra, Tommy and Family, I am so sorry to learn of Gary's death. We went all the way through school together from first grade at Cleveland to the Class of 1976 at West Rowan. It was great to see him at our 40th Reunion last month. He was always such a nice guy, even when we were little kids, he was nice. Gary and I were the 2 tallest children in our class for several years so we always wound up on the back row whenever there was a class program. We would just walk to the back row and stand by each other. In the picture we took at our recent reunion, he and I are in the middle standing side by side just like old times. I am so glad that I got to stand by him one more time. My thoughts and prayers are with you all. May your faith uplift you and your memories give you strength for the days to come.*

Sincerely,
