“ *In loving memory of a wonderful person. We will love you and miss you always. Grief can be so hard, but our special memories help us cope. Remembering you and your loved ones today and always. Some of my fondest memories as a kid are of Don and Corene. I'll never forget the times when they would go out with my parents Lonnie and Bonnie. I would stay at their house and heat up a frozen pizza and watch TV. Randy, I even remember your model car collection. Oh the memories. My sincere condolences to the family.*

“ *As a 16 year old high school student in the 60's I worked at Guyes in Corene's department. She impressed me from day one, so put together and so petite next to Don who stopped in frequently. I learned so much from her about working with the public. Everyone loved her. She was a real lady and will be missed immensely. My heartfelt sympathy goes out to her family.*
