“ *Curt,*

It's been over a year and this is the first thing I've written since hearing of your passing. You were like a little brother to me when we met in Wilmington after you came to stay with Greg. John and I took you under our wings and we made some amazing memories that I will cherish forever. You are so missed by many people. I hate that you had to leave us so early in years, but I understand that there was a bigger plan at work and everything happens for a reason and just as it should. We miss you and Love ya, curt.

“ Our condolences to the family. I am sorry to hear about the loss of your dear loved. Losing a loved one is distressing and as comfort is needed, it is my hope your family will find it comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.
