“ *D'ante was my best friend before anything. He used to call me monkey. I didnt know him for my whole life but it sure felt like it. I never laughed as hard as I laughed with him. He always saw the positive in a situation and gave me hope in life. I was so proud of him for moving up and getting his life together. I will never forget all the good times we had together. I had your back 100% the whole time we was together I can honestly say that. You were the sunshine in a sky full of dark clouds. I love you D'ante and I always will. Please watch over me and mine. And I promise to do right and follow through with it because thats what you wanted from the beginning. Love, Kristina*
