“ Dana was always such a delight. When i'd babysit her & her brothers she would always be cheery & a joy to be around. Her & i would laugh together & we brought in a few new years together watching the ball drop on TV. It's very sad that GOD took her at a such a young age but HE needed her there. She had faithfully completed the plan HE had for her life. Now she's happy & healthy again & not suffering anymore. i love you Dana. You will always have a special place in my heart. Jane Baker

Dana was selfless. When I had my hysterectomy that girl called me the day I got home and many, many days afterwards and after I went back to work. We would talk for HOURS about everything! I would feel so guilty talking to her about my issues at the time but she wanted to know because she was concerned regardless of what she was struggling with. Because of our talks I feel some peace. However, it always hurts to lose someone who was so wonderful in every way.
