“ *My son, my life, my flesh and blood! I know that God only gave him to us to raise and tend while he was here but he was really God's son and it was time for him to go. I feel that part of me is missing, and it is because as him mother, it was my blood that run through his veins. We shared something that no one else ever could, the bond between a mother and son! I miss you Daniel but I know that I will see you again and that you look down upon us and see that I mourn for your earthly presence daily.*

“ *With heartfelt sorrow, and love, know that I am here for you. Daniel will be greatly missed. But just think how much sweeter Heaven must be. Grandma Lib used to say "Just a Rose will do." I guess Daniel is another one in Heaven's bouquet. Love to all, Your sister and Aunt Nan Dianne Massey*

“ Lisa, Keith, Aunt Linda, Uncle Carl, and all family members, I am so very sorry for your loss and the heart rending sorrow you are enduring at this time. I know Daniel is with Grandma Lib and with my Poppy, Maurice and I know he is better off there than on this terrible earth where there is no respect for life. Please know that you are all in my thoughts and prayers. And that even though I am far away I am with you all in my heart. Daniel was to young to be taken from us but he will never be forgottten. As long as we remember him and love him he will live forever. I love you all.
