“ I was doing some online research when I read of what happened to Daniel. I was so moved by everything I read that I wanted to extend my deepest, heartfelt sympathy to everyone fortunate enough to have known and this wonderful person. He was so obviously loved by the many, many people he so positively affected with his kindness. I know what a difficult time that was for everyone close. I also know that Christ is with Daniel and Jacob, and you'll all be together again forever one day. Please press forward using the promise of the future to sustain and buoy you, and the good memories of the past to enrich you. And always remember there are so many keeping you and Daniel deep in their hearts and prayers.

“ My Dear Daniel,

From the very first day Todd and I met you.... I knew you were a one of a kind sort of fellow. You moved your Moms big heavy china cabinet to our house with no fuss or no muss. After that we became really good friends. But let me say that thick hair of yours dulled my scissors, but that's OK. Wish I could cut it now. I want to tell you how thankful we were for you spending so much time with us after Garin passed. It meant the world to me. Y'all fly high and we will see you soon. I love you Daniel Sell.

“ Even though Daniel was our grandson he was a fine young man. Watching him play baseball and football was always a proud time for me and his grandfather. He loved his family, going on family trips to the beach, holidays at his aunts and uncles houses and just hanging out with his cousins. He loved his mother and sister and was always there to help them with whatever they needed even if it was just to sit and talk. He had wonderful friends and was always there for them. His friends and their families were very dear to him and I know he loved and respected them. Our family will always miss Daniel, but he will always be remembered and loved by us all. God, thank you for sharing this fine young man with us. We all loved him and will always miss him but smile when we think of him and tell Daniel stories. Hold his mother in your embrace as well as the rest of us at this trying time. Jack and Penny Camp

“ My son met Daniel in preschool and they became life long friends. Daniel was always a shining light on and off the field. Bryson played baseball and football with Daniel and He was a tough competitor! We traveled to Cooperstown NY together Angie and I always shared rooms on our road trips and the boys always wanted to be together. He was the friend Bryson could always count on. Daniel went on family vacations with us and 4 kids and that’s a lot in one house and he was a trooper he caught huge blue crabs and turtles for the kids. I am very proud of the young man Daniel became. My prayers are with his family and friends at this time. Daniel was loved by so many.
