“ *Don, Cathy, and Mary Beth, my thoughts and prayers are with all of you (& the rest of the family). Much love during this more than tough time.*

David played hard, laughed harder, and loved hardest. I will never forget my life with Dave. From 7th grade when he sent his friend to ask me out, to the giant SpongeBob he brought me from Disney in high school, to the best and most memorable 2 and a half years we lived together and dated. I loved you then, I love you now, and I will love you forever. You were a big guy with and even bigger heart. Often misunderstood but you never let that stop you. Rest easy my love. Until we meet again, <3 amidoll

“ My heart aches and is saddened for the loss of this "GENTLE GIANT"

I met this special young man at the Fairview Inn, he was the first besides the staff. We instantly became friends! David knowing I was twice his age, showed me complete respect and treated me as though he'd known me forever; he was gifted with a "protection" for others and made sure everyone was happy, and in need of nothing!

We shared adventures outside of the Inn, with dinner, and seeing local bands several times together, as IF we were old friends. Anyone that met him, felt this "instant friendship" David radiated "love."

He enthusiastically shared the "upcoming birth of his nephew, and the "plans he had for "Jacksons" fun, sports filled future, everything "HE" wanted to teach him. When Jackson arrived, David was SO excited, he just glowed! Looking forward to seeing and holding this little guy. Afterwards, you could see, Jackson, that little guy had captured David's heart! He lit up when he talked about him, and the beautiful future David saw with this new family member in his life.

ALWAYS encouraging, with that infectious laughter, and smile, David was also a true giver, NO was actually not a part of his vocabulary, IF he knew he had it to give, if he didn't, he'd find a way to make it happen thru other resources.

I totaled my truck, and broke my foot in an accident (7/8/15).....WHO came to my rescue? Dave! He carried me on his back down 2 flights of stairs, with my cooler in hand, just to get ice. He said, "Hey little Momma, where you hobblin 'to?" I told him (crutches too) "I'm trying to get ice." He then told me to, "Come on, get on my back. I'll help you. At the rate you're goin' the ice will be melted before you get back." (David laughing) so I did just that. He NEVER hesitated to "RESCUE" anyone! This includes "critters" of all kinds, too.

I pray that the days weeks and months ahead for this family that GOD will comfort you in your time of loss.

David Scott Carter was an "ANGEL" sent here to show what true friendship, honor and "UNCONDITIONAL LOVE" is really about! This precious life, gone, but because of the impact he made in the lives of the countless hundreds of others he met, we each had the opportunity of experiencing his smile, gentleness and irresistible personality David WILL always live in each of our hearts!

And finally, as David and I used to always say, " <3 U man! And don't forget "SURRENDER the BOOTY." (his tattoo) "WE'd laugh, HUG and part ways.

I have So much LOVE for you such an honorable young man! "REST in PEACE" and "THANK YOU David for being a sweet memorable part of my life! I learned to begin "trusting" again because of you!

“ David was a wonderful friend to our daughters. He was certain to always bring a smile to your face and make you laugh, such a loving and protective soul that I haven't seen in years but thought of him often. “ Don, Cathy, and Mary Beth, My thoughts and prayers are with you at this time of great sorrow. I was very saddened to learn of David's death. It is so hard to know what to say. When David was at my house, he was always very respectful and always welcome. He was one who liked to make you laugh. I will always be grateful for his coming and being with Corey when his dad died and when my mother, Corey's grandmother, Martha Carter, died. Corey needed that! I can still see David and remember that smile of his. I am here for you and send my love. God has His loving arms around all of you. Hold on to all the memories of David and he will always be with you in your hearts. He is an Angel in God's band, now. God be with you especially now and always. Love to all of you! “ I remember David as a smiling, joyful and exuberant boy who loved his family and many friends. I love the story of his selfless rescue of a woman who was injured on the river, carrying her from the water to safety. He did not hesitate for a second to do the right thing. What a sweet, big heart he had.

“ It's okay mom, David Carter is taking me to the doctor." I was three hours away and couldn't get to Wilmington. I was able to drive down later and by then the antibiotics had kicked in and she wanted to go out to eat. When we reached the restaurant who was there but David Carter all 6"5" of him. He had a mischievous grin, playful eyes and called our daughter Princess. I saw Dave several times after that in Wilmington and he even stayed at our home in Asheboro. He was always polite and had that playful grin. He was a good friend to Emma and I am glad I had the opportunity to meet David Carter. My thoughts and prayers go out to his family and friends during this difficult time.

“ *To me, this is surreal. David was an awesome guy. I remember back in third grade David was joking around, being loud, and then he got the teacher SO mad she slammed and busted the dry erase marker on the floor and the color went everywhere (if I remember that part correctly). Anyway, I'm going to miss running into him at the store and catching up with him. Love you, brother. R.I.P.*
