“ *David has always been an avid and outgoing sportsman! Sharing fishing adventures was always exceptional with David. He had some favorite "Honey Holes" and destinations that I will continue to frequent in memory of our good times! Next time that I fish any of his favorite waters it will be in honor and tribute to David. Geneneral locations, without providing the GPS coordinates, included: Dana Point, Catalina, Huntington Flats, San Onofre, Lakes Gregory, Silverwood and particularly Big Bear! You will be missed by many, good friend! May you keep your lines tight in heaven, (and find some good spots to share)! Much love to your family, "That Brad Guy"!*
