“ Mrs. Gregory,
I am terribly sad to hear of David's death. He and I spent a good deal of time together during our junior and senior years at Asheville School, chatting, sharing ideas, thoughts, feelings, etc. I consider him a friend, and have long wondered how to get in touch with him. I'm sorry that will have to wait until the day I meet our Savior, but I can now look forward to that day for one more reason. Please accept my sincerest condolences and best wishes.
Sincerely yours,

“ To the Family of David Gregory:

So very sorry for the loss you are feeling at this time. David's life was cut short due to illness. One day in the near future we will be able to live life to the full without having the envelopment of death hang over us like a dark cloud. There in Isa 25:7,8 it speaks of how Jehovah God is going to swallow up death forever and he will take it away from all the earth. How wonderful it will be to live life to the full and to know that we will never be separated from our families by death nor will illness claim anyone and rob them of happiness for it also says in Isa.33:24 "And no resident will say: "I am sick" Since we are living deep in the last days of wickedness (2 Tim 3:1-5) we know it will not be a long time in the future to see these events take place. So please take comfort from the scriptures and see where we are in the stream of time as far as Bible prophecy is being fulfilled. Jehovah God does not lie and his Son Christ Jesus has provided his life to redeem us from death.(Heb 6:18) David will live again in the resurrection. (John 5:28,29) (Psalms 37:9-11, 29)##imported-begin##Linda Harrison##imported-end##
