“ Dear Genie, William, and Deana,
Charles and I are saddened to learn that Dean is no longer physically with you here on Earth, but we are consoled to know that you still feel his presence strongly in your minds and hearts and to know that one day you will reunite with him and with our Heavenly Father.

We have many fond memories of Dean in his dedication to the Boy Scouts program here in Boiling Springs. I also will always remember Dean and you, Genie, as highly supportive and dedicated parents to your children in school. Deana, I still recall you as one of the best students I ever had the privilege of teaching. You were so very smart, and you were always so sweet; you will forever be precious to me.

We will continue to pray for you, as we know that the days ahead will not be easy at some points. We lift you up to God for consolation and encouragement.

Love,
Jane Stroud

“ My husband Stephen worked with Dean years ago, and I worked with him when he came to the project group. He was always great to work with and knew his job. He would always come by to chat when he came to the main office. He will be sorely missed by all. We pray for peace and strength for the family during your time of mourning.

*With sympathy,
Sherry and Stephen Potter.*
