

Diana Spencer Storey

December 3, 1966 - November 8, 2025

On Saturday November 8th, Diana Spencer Storey left this earthly life unexpectedly but peacefully. Diana had been in declining health over the past few months, but had greatly enjoyed spending time with her first granddaughter, Emerson Lee.

Diana was born in Martinsville, VA to Ted and Nancy Spencer on December 3, 1966. She graduated from North Stokes High School in 1984, and went on to obtain a degree in English from UNC Chapel Hill.

Diana married her college sweetheart Ned Andrew (Andy) Storey in 1990. They were blessed with two children – Katelyn Storey Lee and Spencer Andrew Storey.

Her English degree and love of reading served her surprisingly well in her career in healthcare. Diana put her eye for detail and knack for diplomacy to good use reviewing and negotiating networks and contracts at Partners National Health Plans of NC, Inc., Blue Cross Blue Shield of NC who later purchased Partners and went on to enjoy a 28 year career with the company. She finished her career as Medicare Market President of the Carolinas and Mid Atlantic for Cigna.

Diana embraced the challenges and joys of being a working mom. Despite her busy career, she made sure to make it to every tennis match, running meet, golf match, or baseball game her kids played growing up. After work and shuttling kids around she also found time to cook. Diana enjoyed showing her love for her family, friends, and neighbors through thoughtful and delicious

meals. She loved her family and made sure she did everything she could to make sure they knew it.

Diana also had a love of music. Growing up playing oboe, she was able to share her talent in her high school marching band and then in the choir for many years at First United Methodist Church in Salisbury. She had a love for travel, which began her music knowledge and got her accepted to an exchange program in Germany during high school. She would go onto plan many family trips through the years. Diana was well known for her organizational skills. Her friends and family knew who their first call would be when planning any event as no detail would be overlooked.

Diana was preceded in death by her mother Nancy earlier this year. She is survived by her husband Andy Storey, her daughter Katelyn Storey Lee and son in law Alex Lee and granddaughter Emerson Lee, and son Spencer Andrew Storey. Diana is also survived by her father Ted Spencer (Sylvia), sister Cheryl Bullins (Terry), brother Steven Spencer (Tracy), nephew Josh Bullins (Deanna), and nieces Courtney and Madelyn Spencer of Lawsonville. A memorial service will be held Friday, November 14th at 11am at First Presbyterian Church, 308 W Fisher Street, Salisbury, NC 28144. A brief visitation and reception with the family will be held in Lewis Hall following the service.

In lieu of flowers memorials can be shared with Community Care Clinic of Rowan County at communitycareofrowan.org or with First Presbyterian Church of Salisbury at 308 W Fisher Street, Salisbury, NC 28144.

Summersett Funeral Home is serving the Storey family. Online condolences may be made at www.summersettfuneralhome.com.

“ Andy, while you & I have spoken on the phone but never met, your mother & father wer a special friends from our days at WFU and beyond. I remember your mom talking about what a special person Diana was. She often spoke of her and your children. They were precious to her. The loss of Diana came as a shock when we learned of it last night and we just wanted to let you know how very sorry we are. You are in our thoughts and prayers.

“ My deepest condolences to Diana's family. (Her husband Andy, daughter- Katelyn, son Spencer and her precious grandbaby).

Learning of Diana's passing has left us with an overwhelming sense of sadness. I am thankful to have had the pleasure of knowing her and working with her.

Her mentorship, her willingness to listen, and her ability to share insightful stories both personally and professionally was a gift.

In the short time I reported to her - I learned a tremendous amount more about the industry, and how to rely on your own experiences and continue to build for the future.

Her dedication, integrity, compassion and leadership will forever remain part of the foundation of future leaders she inspired.

May her memory continue to inspire others every day.

Diana, Rest In Peace.

“ I knew Diana as we worked together at Cigna. Diana was always thoughtful, direct, kind and knowledgeable in all we did together. Diana would always make time to share a story to help get a point across and help others see what she already saw. Whether through her voice or thoughtful questions, Diana was always poised and graceful. Even though our time together was brief, I will miss Diana's voice and presence. My family has your family and Diana in our hearts and prayers.

“ Diana was as sharp as they come! I grew personally and professionally while reporting to her for two years. Even after she was my direct leader, she continued to be a great mentor. She was always ready to talk business but made sure to always check in with me personally. She graciously celebrated and supported me through my big life stages from engagement to the arrival of my son. I am heavy knowing she is no longer with us. My heart and my prayers are with Diana's family, especially her husband, kids, and granddaughter who she always spoke with great joy about.

“ I am deeply saddened to hear of Diana's passing. Working with her at Cigna, she was the best of the best. So knowledgeable and funny and personable and made work so enjoyable for those around her no matter the circumstances. There is a big hole that is felt without her presence. Sending all my love and prayers to her family and friends this holiday season. She will never be forgotten.
