“ May you gain comfort and strength by remembering that God cares and has already made provisions to restore your loved one. John 5:28 assures us that: The hour is coming when all those in the memorial tombs will hear Jesus voice and come out. Draw close to God in Prayer and he will sustain you.##imported-begin##Sheila##imported-end##

“ Karen & Suzanne - it is amazing that we ran into each other at the beach and we spoke about your mom. She was such a nice & lovely lady and although brief I enjoyed the time we worked together several years ago. I am so sorry for your loss of your mom/friend. Please let me know if there is anything I can do and know I am thinking of you both and your families. Take care and if you are ever near Charleston, call me and we'll get together?

“ Dear Family,  
We were blessed to have a visit from Aunt Ollie and Uncle Charlie along with Suzanne and Emily at our home in Tucson. I remember both Aunt Ollie and Uncle Charlie to be warm and kind hearted. Over the years we talked on the telephone and our lives were enriched by their love. Our thoughts are with you at this time of your loss. The Whitley Family...

“ You all are in my thoughts and prayers. I will never forget your mom and all the things we did together. You are correct in a "Celebration of Life" because I know she'll be with your dad and watching over all of us down here. She was a special woman who had lots of love for everyone. If you need anything please let me know.##imported-begin##Lillian R. Shirley##imported-end##
