“ Ms. Doris and my mother, Alice Polk, were table mates at Oak Park and shared meals together when they were both there. My mother thought highly of her. They were both retired teachers. Ms. Doris was a smart, warm, and special person. I am so sorry for your loss.

“ I remember Mrs. Bosworth as a wonderful lady. Very happy in life, making a great difference in the lives of her students, and a very happy wife and mother. I graduated with her daughter Sandy from Norwich High School. I don't believe there was a person who met Doris Bosworth who wasn't immediately impressed with her. She is in Heaven reunited with her loved ones who have gone before her. Laura Wilson Bess, Lake City, FL

“ *Sandy, Mel and family. We are thinking of you all. We have great memories of your Mom and Dad. All the football and basketball games of 1993/94. We all had so much fun and are great memories to have. I'm sure you have many and they will get you through the coming days.*

I did not know Doris as a teacher but I'm sure she was a wonderful one and put a lot into it.

We will keep you in our prayers. Look us up the next time you are in Norwich.

As a young teacher at the time, she was an inspiration to me. I am sad to learn of her death. She will be missed by friends and family.*
