“ *Doris, Will be greatly missed. She was an amazing woman. I lived in the same housing complex near Doris for eight years. I have spent many an hour speaking with her about her life and memories. After several of the heavy snowstorms I would walk up the hill to dig her car out of the ice and snow for her. On many occasions and after I broke my foot several years ago she would bring by my house a cake she had baked for me. She was a blessing to me and others. My prayers are with her family during this time and my the Lord bless them all to know that she is with her wonderful Savior and her loved ones she has so dearly missed.*
