“ Miss Dot will always be in my memory with a huge smile on her face. She truly lit up a room with her infectious joy. Her warmth and humor made the world a better place.

“ Dot is my brothers mother in law. She is the absolute opposite of the typical, cartoonish mother in law! I love her as a wonderful friend, someone with a fantastic sense of humor who always looks at life with a positive attitude. I look forward to spending eternity with her. That's why I used the present tense. She's even much more alive than she ever was here on Earth.
