“ Dear Uncle Sam, Tony, Susan, Melissa and Tim,

Aunt Darcy (as I grew up calling her) holds a very special place in my heart. She was such a fun person to be around, always smiling and laughing. She had an air of mischievousness about her.

As a child, she always made me feel at home when I came to play with Susan. Aunt Darcy loved to try new recipes and was eager to tell me how I would like them too as she shared those recipes with me. She was a great cook.

I am blessed to have so many good memories of all the times our families were together.

I hope your memories can help you through this sad time. My thoughts and prayers are with you.

Love,

Kathy
