It was such a gift to get to know Dot over the past several years, and I feel so blessed to have spent time with her. Her love for everyone, her sense of humor, her natural instinct for nurture taught me many valuable lessons. My prayers are with all of you during this difficult time.

“ I love Dot...she was the first person we met when we moved to NC, she and her husband Paul came to our house with goodies in hand, if I'm not mistaken it may even have been the day we arrived, she was a huge part of my life, by reminding me that kindness and caring does exist, she was so kind when my mother was sick, and when Mom passed, Dot was my rock....I will remember that talk we had...and I promised her I'd always remember it. She calmed me down.... and she was so kind when my children's father passed away, I will remember that beautiful smile....I could go on and on for over 30 years of memories of her....all good ones, I am so sad that I cannot be in NC to pay my respects to her and her family. My prayers are with Larry, Ronnie and the entire family. I will never forget Dot.....I was blessed to have crossed your mom's path in life. She is truly one of a kind and unforgettable.
