“ *May you gain comfort and strength by remembering that God cares and has made provisions for loved one. John 5:28 assures us that: The hour is coming when all those in the memorial tombs (God memory) will hear Jesus voice and come out. Proof of this is found at John 11:11-44 when Jesus raised Lazarus from the dead,hear on earth. This is our sure and only hope.May Jehovah God be with your family.##imported-begin##Sheila##imported-end##*

“ I heard about your dad's passing today and wanted to share my condolences and thoughts with you. I was around him in your home and at numerous scout meetings and camping trips over the years. His calm and kind demeanor (often in the midst of chaos) really made an impression on me and set a great example for all of us. You are all in my thoughts and prayers.##imported-begin##John Bernhardt##imported-end##

“ Having worked with Dow for many years while I was head of Purchasing at Celanese/Hoechst Celanese, I know what an extraordinary man he was. He was the calm in the many storms relative to manufacturing. I know no one who did not respect his knowledge and enjoy his even temperament, his smile and his laughter. Be comforted to know that he had a special place in many lives. He will be truly missed. God care for you all.##imported-begin##Vicki Pierce##imported-end##
