“ I'm sorry for your loss. I see the pain my mother feels over the loss of her husband (my father) of 60 years so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at First Corinthians 15:26. But Jesus gave us a hope in the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. Then we will never have to lose them again. Why can we say that? Because God has promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Rosemarie###imported-begin###Rosemarie###imported-end##

“ Aunt Louise, Roddy, Kevin and April, I was saddened to learn of Uncle Charles' passing. I know that you will miss him a lot. I have missed my father so much over the past 10 years, but I treasure all my wonderful memories of him. They do help sustain you. When my father passed away, your father wrote me the most beautiful letter detailing the memories he had of his older brother. It meant a lot to me and I learned some things that I did not know from years ago. I treasure that letter and still have it today.
My thoughts and prayers are with you during his difficult time.

Sincerely,

Danielle (Eddinger) Legg & Family###imported-begin###Danielle (Eddinger) Legg###imported-end##
