“ So sorry to hear about his passing. He was a true "southern gentleman" and great role model for all of us. He was such a great friend to all of us in the fire service. I guess a lot of folks probably don't realize WA Brown, Sr., was the fire chief in Salisbury in 1908 for about 30 years. The story of how the family found that fire truck, that was connected to their family history in a restaurant and acquired it then restored it was amazing.

“ I was so very sorry to learn of Ed's passing. He was a great guy, a very intelligent man with a great sense of humor. I had the honor of knowing him for 50 years during which time we traveled together for business on numerous occasions. Every trip was a chance to learn from him, listen to his stories and laugh at his endless collection of jokes. A few of us loving referred to him as EAB or EEEEEB. What a life well lived. Rest in peace old friend, you deserve it.
