“ Ron, just a moment to express our sympathy at the passing of your mom. As a Catawba classmate, I can say there is never an appropriate time, but your mom lived an incredibly long life. Best wishes as you find the courage to explore the future without her.

“ Where do I begin. Jim and I moved here about 12 years ago and the day we were moving into our house two beautiful sisters come walking across the street with food that included the best chicken salad I have ever eaten made by Effie. Her sister Margaret baked a wonderful chocolate pie. That would be supper for us. Over the years we became good friends with Effie and I called her Mom. One of the nicest caring ladies I have ever met. The day before she passed I got to spend time with her and I will never forget her last words to me. "I have loved you and Jim ever since you moved here" Jim and I loved her very much and will miss her terribly. RIP Effie, I love you.

“ I had the pleasure of spending time with Ms Effie. She was a very determined and independent woman. She had such a beautiful smile.
Thoughts and prayers to the family and know that your mom has earned her ☐ wings.
