“ *Mike, We are so shocked and sorry to hear of Elaine's passing into heaven. She and I were good friends in high school; sitting at the same table in the cafe every morning and study periods. She was a wonderful, caring person and was all about her family even back then.*

*I have been telling myself to e-mail her, but kept putting it off due to being busy. NO EXCUSE! I should have spoken to her; and feel badly that I didn't.*

*I will pray that you above all will be able to carry on with your life as difficult as that will be. I am sure she wants you to be happy and continue to be the pillar of your family.*

*Please know that even those of us you do not know are thinking of you and your wonderful girls.*

*Peace to you all.*

“ Mike, Hannah and Kara. I offer you my heartfelt sympathy. Elaine and I went to school together and I fondly remember our trip to London, England our senior year. She was a joy to be around. I am so sorry for your loss.

“ Mike, Hannah and Kara,

I am so saddened to hear of Elaine's passing. I have such fond memories of the two of us sharing in our kids' elementary school adventures. She left an amazing legacy of two beautiful, intelligent daughters, and the world is a little better because she was here.

My hearts is with you.
