“ My dearest Debbie and Gwyn, I used to run into your mom at the library, at the grocery, and it was always such a delight to see her smiling face. She would always catch me up on you guys. She loves you so much. I am so sorry for your loss. I am sorry that I will not randomly and serendipitously run into my beautiful friend. A.k.a. your mom again in this world. Praying for courage, wisdom, strength, and peace.

Your friend,

“ To The Family of Ann,  
We send our most heartfelt condolences to each of you. Ann has been my friend since the day I met her at Rowan Public Library. We have stayed in touch with each other through the years. We always pick up where we left off at each conversation. Working together before she retired was always a party. After we both retired the party didn't end. Ann was always so thoughtful and never missed the opportunity to send my daughter, Bianca, and I birthday cards. I will miss my dear friend. We all will carry our fondest memories of her in our hearts forever. Rest in peace my girl ❤️ Peace and Blessings to the family ❤️
