“ You have my condolences on your great loss. Libby was a wonderful caring person and her family was the greatest treasure to her. She was very proud of all of you and did not hesitate to tell everyone. She is going to be missed terribly but is now able to be happy and painfree in heaven with all the ones that have passed before us. I have no doubt that there is a party celebrating her entrance to Heaven and that she is watching over all of you and will be with you always.##imported-begin##Teresa (tgal1963)##imported-end##

“ I knew you as grands and that is whata libby always was. A grand person who slways made my day better each time we got to talk.

I will miss you a lot Libby but I know that you have probably already got them playing backgammon in heaven.

She was so proud of her family and especially the grand kids.

We spent a lot of time with her bragging about them lol

Libby and family my sympathy for a life taken too soon and for a woman who always had a kind word for me.

You will be greatly missed and never forgotten

“ Libby was a wonderful 2nd mom when Michelle and I were in High School together. he supported Michelle when she needed her the most. Michelle did what every child wishes they had the opportunity to do and that was to take care of this special person in her life. They weren't only mother and daughter but the best of friends. Libby you will be missed terribly, we all know you are better off now than we are. We will not mourn you but celebrate the better life you have now.

I hope to see you when I rise into the Heavenly place you are partying in now!###imported-begin##Angela Martin Blevins###imported-end##

“ I too have known grands through MonkeyRoyale, having played many games of gammon with her throughout the years. Like most leagues so many friends and memories are made. We share in each others lives to such an extent that though we seldom meet face to face we do become family of a sort. Her absence will be felt by many. Rest easy, grands. “ I was so saddened to hear the news. I know Libby (Grands) from monkeyroyale and she was one outstanding lady and player. I will never forget how I she would come and turn up in a pogo lobby just to say hi and play some games with me.

A true lady who never had a bad word to say about anyone.

Will miss her loads.##imported-begin##Alison Witts (troubledtd)##imported-end##

“ I knew Granny from the Monkeys on Pogo. She was always a challenge don't think I ever did beat her, but she always encouraging me or giving me tips on how to beat her.

Was always a ray of sunshine when she was in the lobby or in one of my tourneys. When ever I was down she always made me laugh even if I didn't want to. She will be greatly missed. I am sorry for your loss. Will always be in my heart. My thought and prayers go out to you and yours.##imported-begin##Dawn Marie McEachern(MommyRMonster)##imported-end##

“ Libby,

You were one person who I admired so much; despite your disability you showed me that nothing is impossible once you set your mind to it. You always had kind words to everyone and took the time to help new and old players to learn backgammon in Pogo.

You are loved and missed. I know that you are at peace now with the angels and you are continuing to watch over backgammon. Rest well, my dear friend, you will not be forgotten.
