So many years of memories! In Columbus, Ms then buying her house in New Hope, MS. It had blue appliances, and I have always had blue accents in my kitchen since. Her visit with me in Honolulu many years later. She did not like Hawaii, but did adapt to riding The Bus to get to Ala Moana Shopping Center and Waikiki. To my surprise she remembered me again years later when I visited her in Salisbury. She suggested I come stay in her house in the winter, because she could not see me wanting to stay in Minnesota during the winter. While I did not do that, I was able to visit her during my summer road trip to NC. I loved her straight forward approach to life. What fun in reconnected over the years!
