“ *Beth you're the only mom I've ever had in life webe have so many talks that last for hours and hours about life and everything under the sun. You made me feel like I always had someone there growing up with Trey I felt at all of our games you weren't just there for him but me cheering in the stands to I could always count on you and Kaiden to make my days brighter. I'm so broken over this loss but I know you're up there in heaven rejoicing with Cam and watching over your sons. I love you endlessly mamma Beth*

*Beth,
I am so grateful that I got to be your big brother. My Heart is broken right now and I miss you so much. You have been through so much in the last five years. You have no more pain or heartaches now. We don't know why things happen to us sometimes but God does. You are a wonderful mother and sister. I am so heart broken right now but I know you are in better place with our Lord and Savior Jesus Christ. Until we meet again I will always Love you and think of you often.
Love your big brother Chris Hogue 💙*
