“ Rebecca , Rodney , and Betty Lou ; So sorry to hear of the loss of you Mom , She was with out a doubt a very special and caring woman , and loving mother . Her smile would light up a room and she always made you feel like family . She lived full and complete life , maybe a little on the independent side but was such a great example for all of us to follow. Please let me know if there is any thing I can do or help with. My prayers and thoughts are with you .

“ I took care of Elsie for 3 months. I started working in May,so I didn't have much time to spend with her,and I was rarely on her assignment. Everytime I was on her assignment she always had a smile when I walked into the room. I'd say "Good afternoon,Mrs.Shaver!" She would perk up her eyes and give the biggest smile,along with waving at me and saying hello back. She was such a sweetheart. My prayers go out to the family and friends. It was remarkable to see everyone who had visited her. You knew that Elsie was loved, and you knew that she loved her Lord.
