“ Barry always helped everyone. I remember, years ago, my husband was doing something in my barn with an electrical outlet, I immediately called Carol and had her send Barry before my husband burned the barn down! Of course, he came and helped. So many stories of his willingness to help others! What a wonderful man and friend. Prayers to all who loved him.

“ You were and always will be my favorite cousin/fudgie of all. You loved to give me a hard time and I loved giving it right back at ya. I already miss you blowing up my phone every day and your weekly phone calls to check on me. Behave up there if you know how and try not to get Wesley and Randy into too much trouble. Tell everyone I love and miss them. I love you, Fudgie. I'll always be your favorite Davie County River Rat.
