“ At this time of need may Jehovah, the God of all comfort be with the family. Psalms 147:3 says "He heals the brokenhearted; He binds up their wounds" I hope these words bring peace to your hearts.

“ There isn't enough room to say everything I want to say about Evelyn. She was my best friend and a substitute mother. I have known her since 1998 when I moved here and she joined my water aerobics class. She eventually found the house across the street from her for us. I will miss seeing her every day. She was such an inspiration to me and the rest of the class with her kindness and her spirit, her attitude about life, and her spiritual beliefs. I will miss our coffee hours, lunches, and just doggone fun. She did most of the trips with us at the YMCA and her spot in the pool will forever be left open. I can't say enough good things about her. This morning in class, we all told cute and fun stories about her. We cried and laughed. There will be void in my life that I won't be able to fill.  
Love,
