“ I am so thankful we had the Woodie Family Reunion in September, and we got to see Aunt Flora one more time. From the time I was a little girl, I have enjoyed getting to spend time with her. Even though we were separated by the miles, I often thought of her. She had a radiant smile, and her eyes always reflected love and compassion. I am sad to say good-bye, but I do not grieve as one with no hope. We have the promise that we will be reunited one day in heaven.
