“ Alice, Tony, Christina & Family,
We are so sorry for the loss of your mother. I know she will be missed. I remember every time I would go down ther in the spring or the summer, she had to take me around her beautiful yard and show me her plants, flowers, and she would name everyone of them-That was special times for me. Also every time I was expecting, she always had good advice to share with me. And then when Christina was 6 months old and she took her in and raised her- I'm telling you she was a very special lady. I pray that God will give each of you His perfect peace, like only He can give- Know your in our many thoughts and prayers, and will be for awhile-
In Christian Love,
