“ Jeannie and Family, I worked with Fred for almost 10 years with the City of Salisbury. I will remember him as a hard working, honest, and very practical man. He was a primary contributor to the original City Of Salisbury Construction Standards Manual, and most of his contributions are still in effect. He always believed in doing things right the first time. I hope these fond memories will help ease your loss.##imported-begin##Dan Mikkelson##imported-end##

“ Dear Fred, Mike and Mrs. Bowers,  
I just received this email and wanted to let you know that you are in my prayers and thoughts. Fred helped mentor me in contracting to instill the importance and desire to deliver nothing less than quality work. I really enjoyed working with him over the years. He will be greatly missed.  
I know that as a husband and Father that his passing will leave a tremendous void but I am sure he would want you to continue on the path as if he were still visibly in your sight.  
If there is anything that I can do to be of assistance, please give me a call.

Sincerely,  
Donald Rand###imported-begin###Donald Rand###imported-end###
