“ I am so sorry to see my friend passed away. I met her yrs ago at Gary's BBQ. She and Fred would always come in and set in my section. We became good friends and she would call often and check on me. A very hard worker and I LOVED the spunk she had! I will cherish all the memories and pray for God to comfort her family in the days ahead. I'm truly so sorry for your loss 🙏

“ *Tania and Chelsey, Your mother and grandmother was a true lady. She was beautiful both inside and outside. She always was smiling. I always enjoyed talking to her when she came by the daycare. She was so proud of her family. I know she will be missed but she is at rest now- no more pain or sickness. Cherish your memories.*

“ *I will miss you so much. I am so blessed that you were my friend. No matter how bad my day was at work. The second you walked in with your smile always made my day brighter. Always so thoughtful with little sandwiches, candy and your favorite Krispy Kreme little apple pies. All the little gifts or post it's with hello and smiles left for me on the days we didn't work together. The hardest worker and always helping someone. I loved our lunches. Ready to cook the second I stopped by. Even the salmon patties that I hated because I don't eat salmon. I ate that sandwich with love in my heart because of your kindness and thoughtfulness. Always thinking about others and how you can brighten their day. You always brightened mine. I am so blessed that you were my friend.*

*I am sad and my heart aches. I can't help feeling joy in knowing you are with The Lord. I will see you in Heaven my friend. I thank The Lord that you were my friend. Love you always.*

“ *I Send Prayers & Peace That Surpasses All Understanding To Gale’s Family. It’s still hard to comprehend that I won’t see and talk to her regularly. Gale will Truly Be Missed by Me, the current Belk Family & Especially The Belk Store #7 Family!! When she came in, she always wanted to talk to me... whether it was privately about her health and my health, catching up on the latest happenings or making sure I had all the current coupons at my register. 🙏 She was such a Beautiful, Caring, Sweet Spirit that I will Always Remember!! Rest from the cares of this world My Friend... ❤️ Until we meet again... Robin H.*

“ I am still in shock that Gale is gone!!! She was one of the toughest ladies I knew. I got to know Gale from Community Baptist Church about 26 years ago and at that time she started dating my Dad, Fred Yost. She was very good to my Dad, she would see him almost every day to go out to eat with him!!! I would go with them to eat occasionally, she was a very good person and we had a lot of fun when we were together!!! My Prayers, Hugs and Love to The Family!!! God Bless You All 🙏 And to Gale, Now don't be fighting over my Dad with my Mom, just kidding, Until we Meet Again Gale, I Love You ❤️

Love to All

“ Gale was a very sweet person. Worked with her at Norman's and went to church with her at the former Community Baptist Church. Got to know her very well when she became Fred's, (my Dad) good friend over the past 20 years and we often went out to eat together. She was always helpful and and enjoyed life. She is now in heaven reading a good book and waiting on the rest of her family to join her some day. May God give her family peace and comfort during this difficult time. It' not goodbye, but see you later.  
May God Bless
